

MON LIVRET DE
RÉUSSITES
EN CP

Cette année, tu vas suivre et noter tes **réussites** et tes **progrès**.

Pendant la semaine, tu vas découvrir et travailler de nouvelles notions. Avec ton enseignant(e), mais aussi avec un camarade ou seul, tu vas pouvoir t'entraîner pour bien comprendre ce que tu viens d'apprendre. C'est à cela que servent tes cahiers en classe.

Ton enseignant(e) corrigera ton travail et notera si tu as atteint ou non l'objectif qui était fixé au départ. Si tu n'as pas réussi, ce n'est **pas grave** : tu pourras t'entraîner et recommencer plus tard. Si tu as réussi, alors au moment du bilan, tu pourras reporter cette réussite dans ton cahier de réussites.

Dans chaque case, se trouve une **compétence travaillée** au cours de l'année. Certaines compétences seront travaillées tout au long de l'année.

Au fil des exercices, tu pourras **colorier la pastille** de la couleur adéquate :

- Une indique que la compétence n'est pas acquise à ce stade ;
- Une indique que la compétence est en cours d'acquisition ;
- Une indique que la compétence est acquise.
